Daily Operations

The Administrator explained to the Board that inspectors are authorized to carry firearms because they are constituted State of Alabama peace officers. They may exercise such power anywhere within the state.

Also, the Administrator addressed the concerns regarding the competency card. He stated that the new tests were enacted because of the feedback from the State Legislature and the Office of Examiners of Public Accounts. The Sunset Committee of the State Legislature and the Office of the Examiners of Public Accounts had a finding concerning the old Code Review Exam. Sunset Committee and the Office of Examiners of Public Accounts suggested that the LP Gas Board align its testing standards with the requirements of other state boards. He stated that the LP Gas Board gradually went from testing on paper to computer-based testing.

Code Violation Settlement Agreements

No code violation settlement agreements were presented to the Board.
